

# Chulu East Peak Climbing

**Duration:** 23 Days Days

**Max Altitude:** 6,300 m

**Destination:** Nepal

**Trip Grade:** Moderate

**Best Season:** Summer, Autumn

## Trip Overview

**Chulu East Peak Climbing** is one of the most popular **adventurous peak** routes around the Annapurna peaks. This Chulu East Peak Climbing starts in Besi Sahar and follows a gradually ascending trail along Marshyangdi River Valley to Pisang. From Pisang, you'll leave the main trail and head up to **Chulu East Basecamp**.

Your Chulu East summit day starts early morning with an easy scramble along rocky ridges to a glacier. Via a steep snow headwall, you go all the way up to the summit. On your way back you'll rejoin the main trail again as you trek in the **Kali Gandaki Valley**, cross Thorung La Pass (5,416m/17,769ft) all the way down again to **Jomsom**.

This trip offers you breathtaking views of **Annapurna II (7,937m/26,040ft)**, **Annapurna III (7,555m/24,786ft)** and **Annapurna IV (7,525m/24,688ft)**, **Gangapurna (7,455m/24,458ft)**, **Glacier Dome**, **Dhaulagiri (8,167m/26,794ft)**, **Tilicho Peak (7,134m/23,405ft)** and **Manaslu (8,156m/26,758ft)**.

Customized itineraries with customized travel and accommodation plan are also available on request.

We also operate the Chulu East Peak Climbing is a climbing training, instructed by our experienced climbing guide as well. Just to be sure that you climb Chulu East Peak safely and return successfully. **Chulu East Peak Climbing** is a climbing training, instructed by our climbing guide Just to be sure that you climb Chulu East Peak safely and return successfully
