Trip Overview

If you want to experience trekking in Nepal, and admire the greatness of the mighty Everest (8848 m), but you want a short or easy option, then this Everest 'Short' Panorama trek is the one for you. This [Everest trekking package](#) lets you experience trekking in the Himalayas. Enjoy all the beauty and reward of venturing in the Everest region, in just a week.

The Everest Panorama trek starts from the capital city, Kathmandu. Here you will embark on a flight to the most unique airport on earth, Lukla, to begin the journey. However, it is not only Everest that you will see, as this Panorama View Trek truly lives up to its name. On this 8 day journey you will be able to witness the magnificent views of the highest and most spectacular mountain ranges in the world; mountains such as Mt. Lhotse (8516 m), Mt. Nuptse (7861 m), Mt. Thamserku (6623 m) and Mt. Amadablam (6812 m).

You will get to experience the beauty of the people and the villages of Nepal. On your trek, you will pass the village of Chauri Kharka (2680 m) and reach Phakding. Here the scattered Sherpa houses and the vicinity filled with spiritual calm will give you a true feeling of tranquillity. Later, you will visit the popular Sherpa market called Namche Bazar. It is also known as the Gateway to Everest, before taking a hike uphill to Syangboche. This will lead you to the largest monastery of Tengboche. It will give you an insight into the

practices of Buddhism.

After you have explored the culture, tradition, nature, and stunning views of the country – all in just one week – you will board a flight from Lukla back to Kathmandu. This short trek needs a medium level of physical strength. It is recommended to be carried out between September and November or between March and May. These seasons maximise your chances to see the blooming rhododendron flowers and snowy peaks for which this trek is famed.

With our experienced guides, you will be in safe hands. It is our mission to make your trip fun and comfortable, which is why we have been regarded as the best in the industry in Nepal.
