The cycling adventure to the kingdom of Lopas is the ultimate two-wheeler adventure that crosses and passes through the fantastic landscapes of Nepal that hold incredibly fascinating myths.

After a scenic flight to Pokhara and then onto the windy city of Jomsom, the cycling adventure to Upper Mustang kicks off. Biking to the mythical kingdom of Lomanthang, the city of mud, traverses across the Kali Gandaki River valley, crossing many caves, cultural villages, arid landscapes, high passes, windy valleys, and [Buddhist monasteries](#). This cycling holiday will include the sights of rich Tibetan Buddhist culture and the Himalayas' panorama dominated by Mt. Nilgiri and Dhaulagiri.

The dusty trails to Mustang have off-road riding sections comprising bright sunshine blue skies during the day that will offer you more thrills and happiness. After Biking to Upper Mustang, the ride slides down to the famous [Hindu pilgrimage Muktinath Temple](#), another highlight of this Biking tour. A dramatic downhill ride from Muktinath to Tatopani via Jomsom, Kalopani, the world's deepest gorge, is yet another thrilling experience of the time.

The top-notch biking gear and our expert guides will surely make this two-wheeled adventure in the rugged and arid trails of Upper Mustang genuinely remarkable. Throughout the biking tour, nature, culture, and experience are the highlights.
